BEAM WELCOME MESSAGE

Our main mission is to empower black people of all professions and occupations with transferable skills, competences and tools that equip them for success in their chosen careers and businesses.

Is entrepreneurship the vehicle for the black community to gain genuine economic prosperity?

BEAM Agile are facilitating this virtual business conference with the very powerful Patrice Bailey, where you will learn:

- ◆ The beliefs that are stopping you from making money
- ◆ How to overcome challenges in starting a business
- ◆ The 3 keys to unleashing your entrepreneurial potential
- ◆ The 4 step quadrants successful businesses use to guarantee a profitable business.

Wealth creation is critical for the black community, so be a part of this important business conference!

OUR STRATEGIC PILLARS

Our desire is to ensure that we provide information and education to the black community, be that to young adults and established professionals alike. The common thread is a desire for to accelerate our performance!

The time is now for us to reimagine a world where we are able to take our seat at the table and steer the agenda, in both corporate settings, institutions as well as in black owned businesses.

We are committed to community as that is the way of our ancestors, and we know that we as black people will only succeed through unity.

Information

Providing thought leadership in the form of articles, research papers and round table discussions, stimulating debate and insight.

Education

Offering training, mentorship, workshops and conferences for our community. The offer will also extend into academia for children and our youth.

Collaboration

Unity is at the heart of everything we do. Forming and facilitating networking events, strategic partnerships and communities of practice are core to our ethos.

Consultancy

Designing and executing world-class consultancy support for organisations. Offering the complete solution to individual resources.

OUR CONFERENCE SPEAKER

Patrice Bailey

Patrice Bailey is the Director of Patrice Bailey International, a Business training, coaching and mentoring organisation. She is an acclaimed Keynote speaker, sought after nationally and internationally. Patrice was given the honour to be the keynote speaker at the Botswana Democratic Party, Women's Wing in Gaborone, Botswana with the First Lady of Botswana as the guest of Honour.

Patrice currently sits as a member of the Violent Crime Prevention Board set up by the Metropolitan Police to tackle knife and violent crime in London and Nationally. Patrice Bailey helps people fundamentally rethink what's achievable, realign to gain clarity and refocus with strategic direction to become high-achieving entrepreneurs and leaders. You only have to listen to Patrice Bailey's fascinating podcast, "IT IS TIME TO OWN IT" to understand her passion for what she does.

Remarkably, Patrice Bailey is an ordained minister and head of a business ministry for a charitable organisation.

Patrice will be speaking about **"Unleashing our Entrepreneurial Spirit as Black People"**.

"There is an idea in you that is waiting for you to get it together and give it expression" – Patrice Bailey
